

Ultra-Clear Print Hand Labelling Systems

The **Nor 3/9 B&D** models have been specifically designed to fulfill the most common requirements of handheld labeller users.

SATO's unsurpassed experience has enabled the development of print bands which provide the clearest characters for easy reading.

Ink roller replacement is quick and clean due to the drop-in design.

Character selection is simple and fast for rapid change between pricing, dates or code numbers.

Clear, well defined printing

New print head design ensures a clear character set

Various print band layouts

Print bands to suit the most popular applications

Large space for pre-print

Include your choice of text and your company logo

Easy operation

Label and ink roller loading is simple, quick and clean
